FTI reviewed certain journal entry detail and off-ledger adjustments to develop an understanding of the nature of the intercompany activity occurring between Debtor entities.

**Task Code 16: Analysis, Negotiate and Form of POR & DS**

**Fees: \$1,636,643.00**

**Hours: 2,177.3**

37. Additionally, FTI assisted counsel in connection with the Confirmation of the Plan of Reorganization. Services performed by FTI include analyses of the ongoing APA disputes to assess the Debtors' administrative solvency, analyses to support counsel and inform the Committee with regards to the impact of the administrative claims settlement and reconciliation of the Debtors' estate, as well as a review of the proposed plan and administrative creditor settlements. **Total Hours: 413.4**

38. During the Application Period, FTI monitored the Debtors' ongoing monetization of the estate's assets and the Debtors' post confirmation cash flow analysis in order to quantify the gap-to-emergence. FTI performed analyses with regards to the potential impact of the APA disputes and settlement, the claims reconciliation process, and the proposal for a convenience class. FTI also participated in numerous discussions with the Debtors' professionals to understand asset sales, preference recoveries, collections of remnant assets, and satisfaction of administrative claims.

**Task Code 18: Potential Avoidance Actions & Litigation**

**Fees: \$2,873,789.00**

39. During the Application Period, FTI researched the public record and analyzed thousands of documents provided by the Debtors and related parties to assess potential claims and causes of action to be brought forward by the Committee. FTI's analysis was used in crafting the factual background and arguments included in the *Motion of the Official Committee of Unsecured Creditors of Sears Holdings Corporation, et al. for the Entry of an Order Granting (I) Leave, Standing, and Authority to Commence and Prosecute Certain Claims on Behalf of the Debtors' Estates and (II) Non-Exclusive Settlement Authority in Respect of Such Claims* [ECF No. 1765]. In conjunction with Akin and Houlihan, FTI prepared analyses on certain transactions, detailing the effect the transactions had on the estate.

40. FTI's analysis included assessing solvency opinions, fairness opinions, and valuations of the Debtors and their various assets. FTI's professionals also reviewed the Debtors' various debt issuances and refinancings involving ESL, including analysis of the evolution of the Debtors' capital structure over time. FTI also attended the depositions of various related parties, including the Debtors' Chief Financial Officer, professionals from M-III, and a representative from ESL.

41. Additionally, time detail under this task code related to FTI's work in assisting Counsel in the preparation of the amended adversary complaint [ECF No. 52]. **Task Code 21: General Mtgs with UCC & UCC Counsel**

**Fees: \$202,631.50**

During the Application Period, FTI prepared for and participated in conference calls with the Committee and its Counsel in order to apprise them of all pertinent events taking place during these cases. These calls and meetings included discussions with respect to case strategy and concerns, current liquidity, operating results, business plan assessments, pending motions, along with other relevant case topics. In preparation for these calls, FTI prepared numerous reports summarizing the aforementioned topics.

**REASONABLENESS OF FEES**

43. FTI seeks compensation for actual, necessary professional services rendered and reimbursement of reasonable expenses incurred on behalf of the Committee during the Application Period. During the Application Period, FTI charged \$11,125,160.75 in fees. FTI submits that its fees are reasonable for the work performed in these cases and the results obtained.

44. All of the services for which final compensation is sought herein were rendered for and on behalf of the Committee and not on behalf of any other entity. FTI respectfully submits that the professional services rendered were necessary, appropriate and have contributed to the effective administration of the Debtors' chapter 11 cases and maximization of value. It is respectfully submitted that the services rendered to the Committee were performed efficiently, effectively and economically, and the results obtained have benefited the unsecured creditor body as a whole and the Debtors' estates.

45. FTI believes that its billing rates in these Chapter 11 cases are "reasonable billing rates" for purposes of this Court's determination of the "reasonableness" of the fees for services rendered, appropriate for fees in these cases, and are in accordance with FTI's Retention Application. FTI's customary billing rates were disclosed in the retention papers and approved by this Court.

**REASONABLENESS OF EXPENSES**

46. During the Application Period, FTI incurred \$49,611.98 in expenses on behalf of the Committee. Detailed descriptions of FTI's expenses were included in the Monthly Fee Statements.

47. FTI believes that the expenses incurred are reasonable and economical relative to the services required by the Committee and were incurred as a direct result of FTI's representation

of the Committee. These expenses are the type customarily charged to non-bankruptcy clients of FTI. None of the expenses relate to non-reimbursable overhead. FTI has adhered to allowable rates for expenses as fixed by Rule 2016-1 of the Local Rules for the United States Bankruptcy Court of the Southern District of New York.

### **CONCLUSION**

48. In accordance with the factors enumerated in section 331 of the Bankruptcy Code, the amounts requested herein are fair and reasonable given (a) the complexity of the cases, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under the Bankruptcy Code.

49. FTI submits that pursuant to the criteria normally examined in bankruptcy cases and based upon the factors considered in accordance with sections 330 and 331 of the Bankruptcy Code and Bankruptcy Rule 2016, the results achieved provide more than sufficient justification for approval of the compensation sought by FTI.

50. As a result of FTI's efforts herein, it is respectfully submitted that FTI's efforts are resulting in a substantial benefit to the Committee and its constituents.

51. WHEREFORE, FTI respectfully requests the final award for fees during the Application Period in the amount of \$11,125,160.75 and reimbursable expenses in the amount of \$49,611.98, totaling \$11,174,772.73 be granted and that this Court grant such other, further and different relief as it deems just and proper.
